Mr. [REDACTED], Director of the [REDACTED] Division, [REDACTED], called this morning. He offered to come to Washington to see us at our convenience regarding this project. He said that Mr. [REDACTED], as President, directed him to do this last Friday. Further discussion revealed that Mr. [REDACTED] had planned to take his annual holiday this week and that our get-together now would disrupt his plans. I told Mr. [REDACTED] that we were in the process of collecting the necessary bits and pieces and that a visit by him next week would probably serve the purpose better than for him to come this week. We tentatively agreed on a meeting here for the 7th of September. Mr. [REDACTED] said that he would call before coming, when he returns to his office on the 6th of September.
